Jacket

You just need to be visible and protected while working in wet conditions? Then choose the Lorient jacket. This basic hi-vis jacket has no unnecessary frills but simply does what it is designed for. It is equipped with a fixed hood with peak, elasticated wind cuffs in the sleeves and the zip closure is hidden under a flap which closes with touch and close fastening. The high frequency welded seams make sure you stay dry and with a back length of 85 cm (L) your back is also protected.
