Lobau

059VA2PIT

Hi-vis jacket with ARC protection (Cl 2)

This comfortable jacket, made from a breathable, supple, flame-retardant fabric with moisture-regulating properties offers class two arc protection. With this hi-vis jacket with double-stitched reflective FR strips, you are perfectly visible, also in darker surroundings. The Lobau is shrink and pilling resistant and the reinforced seams contribute to a longer lifespan and a higher wear resistance.
