

Alton

578AA2TXE

Sweater

A sturdy, warm sweater that protects you against the cold and wind - that is our Alton. The sweater features a short zipper, good moisture management properties, a standing collar, knitted wind guards at the sleeve ends and an elastic waist. The fabric dries very quickly. Wear-intensive areas such as the shoulders and elbows have extra reinforcement. The vertical chest pocket makes this a very practical and stylish sweater.

Sweater

Alton - 578AA2TXE
