## Rain trousers with ARC protection

The Ulvik is a supple navy blue pair of trousers giving you a high level of protection. These trousers are indispensable when working in hazardous environments as they protect you against the risks of an electrical flashover, heat, flames and welding sparks. This pair of rain trousers is very light (280 g/m<sup>2</sup>) but offers a high degree of protection complying to many international standards including IEC 61482-2. The reflective stripes on the leg ends, the elasticated waist and the leg narrowing are all there for your safety and comfort.
