SIO-SAFE™
ESSENTIAL

Offshore trousers with ARC protection

Durable, one-colour arc trousers with double-stitched reflective FR strips. The anti-static Corinto protects you against the risks of electric arcs, heat and metal splashes. These practical trousers with two inset pockets, one back pocket, one ruler pocket and an extra thigh pocket feel comfortable thanks to the breathable non-allergenic fabric. For your convenience, there are knee pockets in which knee protection can be inserted, and the elastic waist has belt loops.

Offshore trousers with ARC protection

Corinto - 012VN3PFA
