# Laruns

074VA2PIR

## Jacket with ARC protection

Your work clothes do not need to comply to EN ISO 20471 but you would still like a touch of high visibility? Then the Laruns jacket is the answer to your question. This multi-norm jacket in navy has stylish splashes of hi-vis yellow and reflective material. It also complies to many international standards like IEC 61482-2, EN ISO 11612, EN ISO 11611, EN 1149-5 and EN 13034. The jacket has an extended back making it more comfortable.
