## ECO work trousers with ARC protection (APC1), hi-vis class 2

Made from an environmentally-friendly inherent flame retardant fabric, these knee pocket trousers are conceived to protect both the wearer and the planet. The slimmer trouser legs with pre-shaped knees were specifically designed to fit well and look good. Finally, the soft and supple fabric, elasticated waistband and the moisture-wicking fabric guarantee great comfort as well. | The Mizar work trousers are the UP-dated version of the Matour (022V).
