

# Ardva

542AA2MR2

**Anti-Microbial**

## Hi-vis polo shirt with ARC protection

This stylish arc class one long-sleeved polo shirt protects you against industrial hazards such as arc flashover. The welded and segmented reflective strips are very light and supple, so you are better protected in darker surroundings. This flame retardant and anti-static polo shirt has good moisture-regulating and anti-static properties. Moreover, the Ardva is stylishly finished with a turnover collar and sleeve ends in a contrasting colour.
