

Dampremy

7771N2TF1

Flame retardant fleece

The flame retardant Dampremy fleece ensures a warm, cosy feeling all winter long. The soft, breathable fabric has undergone an anti-pilling treatment. The fleece can be zipped in to several jackets, and is finished with a standing collar, a zipper, two outer pockets, one inside pocket, elastics in the sleeve ends and an elastic cord in the hem.

Flame retardant fleece
