Hi-vis coverall with ARC protection

Practical and multi-functional are two characteristics that apply to the Guardo hi-vis coverall with arc protection. The knee pockets, the sleeve narrowing mechanism, the adjustable elastic waist and its many pockets make this a very handy coverall. The double-stitched reflective FR strips make you visible so that you can safely do your work. The inherently flame retardant fabric from which the coverall is made is not only resistant to shrinking and pilling, but also protects you against heat and metal splashes.

Hi-vis coverall with ARC protection

Guardo - 026VN2PFD
