Hi-vis polo shirt

Available until end of stock.

Do you often suffer from a clammy feeling when working? Then you have not yet tried our Naro hi-vis polo shirt. This shirt is specially made in a breathable, moisture-regulating fabric so you never feel clammy, but stay dry and maintain a comfortable body temperature. Extra ventilation is provided under the arms for an optimal refreshed feeling. The elastic reflective strips on the back and stomach ensure that you can do your work visibly and safely.
