Hi-vis fleece jacket

Hip design, close-fitting and high-quality material, the Senic hi-vis fleece jacket stands out not only because of its fluorescent colour and reflective strips. The windbreaker lining at the front and back protects you against the cold, and the standing collar and the elastic at the sleeve ends protect you from the cutting wind. One chest pocket, two inset pockets and one inside pocket, and long zipper pullers are there for your comfort.

Hi-vis fleece jacket

Senic - 711ZA2T01
