**SIO-SAFE™**  
EXTRA LIGHT

## Hi-vis work jacket with ARC protection (APC1)

Made from our high-performing “Sio-Safe™ Extra Light” quality with aramid fibres, this lightweight ARC jacket offers excellent protection against flashover and chemical splashes. Moreover, this bi-colour ARC jacket offers EN ISO 20471 certified high-visibility. The hi-vis orange colour is nicely contrasted by dark blue contrast pieces, that are strategically situated in those areas that tend to get dirty faster, e.g. around the cuffs, hem and pockets. The Pictor work jacket is the UP-dated version of the Orlu (020V).
