Centexbel

## Jacket in smock style

You can easily put the Werdum jacket on by pulling it over your head. The front opening has a gusset to make this easy. The jacket is made from the durable Flexothane® Kleen fabric and does a good job protecting you against the wind and rain. But most importantly, the jacket protects you against liquid chemicals and infective agents. In short, the Werdum is the perfect durable protective jacket.
