SIO-SAFE™
ESSENTIAL LIGHT

Work trousers with ARC protection (APC1), hi-vis class 2

When working on hot days or in warm environments, light, comfortable yet perfectly protective clothing is key. With a fabric weight of 260 g/m², these lightweight multinorm trousers offer optimal visibility and protection against the thermal hazards of an electric arc. For additional comfort and protection while working on the knees, the kneepads can easily be inserted in 2 different heights. | The Atik work trousers are the UP-dated version of the Ambok (013V).
