SIC-COOL CLASSIC

Hi-vis T-shirt

The Rotella hi-vis T-shirt has it all. The welded, segmented reflective strips are very light and supple and increase wearing comfort. The underarm ventilation and the moisture-regulating and antibacterial properties of the fabric keep your body cool and dry, and your T-shirt fresh. The Rotella offers high UV protection. In addition, we worked a mesh into the underarms for better ventilation. The round neckline and the cuffs of the short sleeves are stylishly finished in a contrasting colour. In addition, a phone pocket is sewn onto the chest.

Hi-vis T-shirt

Rotella - 3877A2MC1

European Standards: *(based upon size L)*
