Blaru

545ATAM09

Glow in the dark hi-vis waistcoat

The Blaru is a practical waistcoat with zipper, press stud narrowing on the sides, several pockets and a mica window for an ID-card. But above all, this waistcoat guarantees visibility in all light conditions thanks to the fluorescent background material, the reflective tape and the glow in the dark stripes. Only after a few minutes of exposure to light (natural or artificial) the tape continues to glow up to 8 hours in low or zero light conditions. With the Blaru the wearers visibility is guaranteed in all working conditions!
