Flame retardant, anti-static hi-vis bib & brace

Brisbane are flame retardant anti-static hi-vis bib and brace trousers that protect you optimally. The tear-resistant outer material repels water and stops wind. These trousers with front bib not only enhance your safety, but also feel comfortable to wear. The moisture-absorbing coating on the inside allows your skin to breathe and the trousers are easy to put on thanks to the elastic buckle braces and the zippers with touch and close fastening at the lower legs. In addition, the leg ends can be narrowed by means of touch and close fastening.
