## Hi-vis ECO bib & brace with ARC protection

The Ambier signalisation bib trousers feel light and supple thanks to the breathable fabric with moisture-regulating properties. The double-stitched reflective FR strips increase your visibility and the inherently flame-retardant properties of the fabric protect you from heat and metal splashes. These stylish and comfortable bib and brace are shrink and pilling resistant and have a high wear resistance. The many functional pockets are a plus, as are the knee pockets.
