

# Ahil

606UA2PFB

**SIO-SAFE™**  
ESSENTIAL LIGHT

## Hi-vis work jacket with ARC protection (APC1)

This high-visibility jacket with ARC protection from the Multinorm UP collection is made of a highly-breathable and very light (260 g/m<sup>2</sup>) fabric with excellent moisture-regulating properties. The UP-dated fitting of the arms and waist, as well as the slightly shorter elongated back, create an UP-scaled look that still offers the required comfort and protection needed in hazardous situations. | The Ahil work jacket is the UP-dated version of the Vendat (010V).
