SIC-COOL COMFORT

## Hi-vis polo shirt

A hi-vis polo shirt with an extra touch that's the Tiola. The hi-vis mesh under the arms ensures maximum ventilation while working. Moreover, the polo shirt has excellent moisture management and antibacterial properties that fight odours. The fabric is very light and supple and is machine washable. Tiola ensures maximum visibility through the welded and segmented reflective strips. The elegant finish, turnover collar and cuffs in dark grey colour make it complete.
