

Heatherton

9643A2TV4

Flame retardant, anti-static hi-vis softshell with detachable sleeves

The Heatherton is a 3-layer hi-vis softshell with flame retardant and anti-static properties. The light material has a water-repellent outer fabric, is windproof and offers good cold protection. The softshell is equipped with one inset chest pocket, two inset pockets on the side, one inside pocket and a loop for a badge, and has been finished with reflective FR strips. The sleeves can be narrowed with touch and close fastening and if you get too hot, you can remove them.
