## Rain jacket

The Cumbria rain parka is a durable and watertight parka from our S.E.P.P. collection that stands out for its modern look. The detachable hood with chin guard, the ergonomic, long zippullers, the pre-shaped sleeves, the cord in the waist and the hem and the possibility to zip in linings and fleeces all make this a very attractive parka. Underarm ventilation makes the parka extra comfortable, while the standing collar and the elastic wrist bands act as wind breakers. Its many pockets (six on the outside, two on the inside, including special storage pocket for the hood) make this a very practical rain parka.

# Rain jacket

**Cumbria - 603ZA2LH2**
