## Hi-vis coverall with ARC protection

Safety and wearing comfort are the two main assets of our Autun hi-vis coverall. Safety: arc protection, flame retardant, anti-static, heat and metal splash resistant, with double-stitched reflective FR strips. Wearing comfort: breathable, supple fabric with moisture-regulating properties, sleeve narrowing with press studs, adjustable elastic waist and knee pockets for knee protection. This extremely practical coverall has it all with no less than seven pockets on the outside and one on the inside!
