## Hi-vis T-shirt

Keeping cool in this Oria hi-vis T-shirt is no problem thanks to the moisture-regulating and antibacterial properties of the fabric. This very light and airy T-shirt quickly dissipates the absorbed moisture, keeping you fresh and dry. The underarm ventilation increases the airy feeling. This T-shirt with short sleeves has a V-neck and elastic reflective tape on the chest, stomach and back.

# Hi-vis T-shirt
