# Kurow

650AA2MPJ

Anti-Microbial

## Hi-vis orange sweater with ARC protection

For the Kurow we chose efficiency: no unnecessary frills but protection first. This comfortable sweater protects you in industrial environments from hazards like static electricity, flames and the thermal hazards of an electric ARC. The fluorescent orange colour and the reflective stripes attract visual attention both in low light conditions and in the dark. In short, when wearing the sweater, you stand out, not only because of its conspicuity, but also because sustainable fibres were used in this sweater.

# Hi-vis orange sweater with ARC protection

**Kurow - 650AA2MPJ**

## European Standards: *(based upon size L)*
