SIOPOR[®]
EXCELL

Hi-vis rain jacket with ARC protection

A light jacket that offers you a very high level of protection, including ARC protection, is that possible? Yes it is. Our hi-vis Kaldvik rain jacket is made out of the new lightweight (280 g/m²) SIOPOR[®] Excell fabric and complies to many international standards like IEC 61482-2, EN ISO 11612, EN ISO 11611, EN 13034 and EN 1149-5 amongst others. Thanks to our I.L.S. system different linings can be zipped in this soft and supple jacket. Furthermore, the Kaldvik has many practical features like the possibility of attaching a hood (available separately), narrowing the sleeve ends, 1 chest pocket, 2 inside pockets and a practical zipper grip for easily opening and closing the jacket.
