

Boorne

350AA2EX1

Hi-vis rain jacket (RWS)

The Boorne is a hi-vis raincoat that is completely water- and windproof. This light rain jacket with waterproof taped seams has a standing collar and sleeve narrowing with touch and close fastening that stops the wind. Thanks to a moisture-absorbing coating on the inside you never feel clammy. In addition, you can zip different liners and fleeces in, so that you can continue to use this raincoat even in cold weather.
