

Pedley

1004A2LK2

SIO-SAFE™
AQUA

Hi-vis bib & brace with ARC protection (C1 2)

The Pedley is the cream of the crop. These hi-vis rain bib and brace with arc protection (class 2) are anti-static and protect you not only against industrial hazards such as heat, flames and welding sparks, but also against extreme weather conditions. The fabric is perfectly wind- and waterproof, but at the same time this is a breathable fabric so you never get clammy. The leg ends can be narrowed for extra protection, the knees are reinforced and the elastic waist makes the trousers extra comfortable.
