Hi-vis waistcoat

The Ronet hi-vis waistcoat complies to the highest class of the EN ISO 20471 standard. In order to achieve this class 3, the waistcoat has sleeves which are encircled with retroreflective tape. The combination of the fluorescent colour and the reflective material make sure that the wearer is visible in any light condition at any time of the day and night.

The waistcoat is designed with a V-neck and the front closure is with touch and close fastening for your ease.
