Rain jacket with detachable bodywarmer

A 4-in-1 jacket that you can wear all year round, it sounds too good to be true. The Cloverfield, however, makes true on this promise: A body warmer, a warm overcoat and a light, breathable raincoat that together form a robust winter jacket. This SIOPOR® rain parka is equipped with many features such as a Napoleon pocket, touch and close sleeve narrowing and a hood that can be tucked into the collar. Both the rain jacket and the overcoat come with knitted wind cuffs in the sleeve ends. The sleeves of the rain coat are detachable resulting in a body warmer with quilted lining and two inside pockets. All components of this multifunctional jacket can be adapted to your company style.
