Quick  
Absorption

## Hi-vis T-shirt

The Rupa is a soft and stylish hi-vis polo shirt with V-neck and grey colour accents. This bodywear has been specifically designed for your comfort. Moisture is quickly absorbed and transported, so that your skin continues to breathe and you never get a clammy feeling. In addition, we applied a mesh on the underarms for better ventilation. The reflective strips are elastic, so you will not be constricted in your movements.
