Hi-vis jacket (RWS)

Practical and visible, two properties that apply perfectly to our Hantum RWS hi-vis jacket. The fluorescent material and the double stitched reflective strips ensure that you are fully visible. With four pockets, one pen pocket and one inside pocket, this is a very practical jacket. The breathable fabric with moisture-regulating properties increases comfort, just like the sleeve narrowing mechanism and the extended back.

Hi-vis jacket (RWS)

Hantum - 052VA2PA8
