**SIO-SAFE™**  
EXTRA ECO

## Hi-vis ECO rain jacket with ARC protection (APC 2)

The Glacier is based on our Nash, one of our bestsellers and a reliable, very comfortable rain jacket of sublime quality. This ARC class 2 jacket is perfectly wind- and waterproof and now has the Sustainable Sioen label, meaning that we have updated its design and construction to reduce its environmental impact. Having a closer look, we reduced the weight of the used fabrics, changed the former cotton to renewable Tencel™ Lyocell, modified its confection to recycle it more easily at its end of life and made it easier to repair so that the lifetime of the garment can be extended.
