Flame retardant and anti-static ladies T-shirt with long sleeves

When it's cold or you need an extra layer of protection you can wear the Keibu. This T-shirt with long sleeves is designed to fit a ladies shape and pays a lot of attention to the wearers comfort. The T-shirt not only has an elongated back and a thumbhole in the knitted cuffs, but also the fibre blend that is used for the fabric adds to the wearers comfort. The T-shirt has a very soft feel and quickly absorbs moisture from the skin giving you a comfortable dry feeling. The inherent flame retardant fibres make sure that you stay protected even after multiple washings.
