## Hi-vis winter bomber jacket with detachable sleeves (RWS)

Being visible and protected from the cold at the same time? It is possible with the Eagle, our hi-vis winter jacket that keeps you warm during cold winter days. The sleeves are quilted and have knitted wind cuffs. On warmer days, you can easily remove the fur lining, as well as the sleeves and the fur collar. In addition, both the fur lining and the jacket itself have an inner pocket, a handy storage space in addition to the four outer pockets.
