# Barcus

## Trousers with ARC protection

The Barcus trousers offer a wide range of protection and although they are made of a lighter fabric they comply with many standards such as IEC 61482-2, EN ISO 11612, EN ISO 11611, EN 1149-5 and EN 13034. These trousers are not only practical with their high level of protection and multiple pockets, they also look good with several patches of hi-vis yellow and reflective material.
