SIO-SAFE™
 ESSENTIAL ECO

ECO trousers with ARC protection (APC1)

The Calanques durable trousers perfectly fit our Jasper jacket. They provide the same level 1 ARC protection, have matching designs and are also made of our durable Sio-Safe™ Essential Eco fabric. These sustainable trousers are very soft and comfortable. Their durable features can be attributed to using Eco-friendly Tencel™ Lyocell and Repreve® recycled polyester instead of the regular cotton and polyester. In addition, they are designed for disassembly.
