SIO-COOL COMFORT

Hi-vis T-shirt

Stay cool with our Sio-Cool® Rovito hi-vis T-shirt with segmented reflective strips. This light T-shirt with round neck and short sleeves has excellent moisture management so sweat does not accumulate and your skin stays dry longer. In addition, we worked with a mesh on the underarms for even better ventilation. The multifunctional fabric that this T-shirt is made of is not only easy to maintain, but has antibacterial properties that combat unpleasant odours.
