Flame retardant, anti-static hi-vis rain jacket

Protect yourself from explosive dangers in foul weather with our Coch hi-vis rain jacket. This flame retardant and anti-static jacket is a very supple lightweight of which the sleeves can be narrowed with press studs. The jacket complies to many norms and does not only prevent flames from spreading but it also makes you visible through night and day and protects you against the rain and the dangers of static electricity.

Flame retardant, anti-static hi-vis rain jacket
