SIO-SAFE™
ESSENTIAL ECO

Hi-vis ECO jacket with ARC protection (APC1)

The Komodo is the hi-vis version of our Jasper ECO jacket. Thanks to using the Sio-Safe™ Essential Eco fabric, we switched to Eco-friendly Tencel™ Lyocell and Repreve® recycled polyester instead of the regular cotton and polyester. Even though the FR-treated fabric is made with 50% recycled materials, the jacket offers the same high quality protection. It is soft, comfortable and breathable. In addition, this jacket is designed for disassembly, meaning that it can be dismantled easily once it's taken out of use.
