## Hi-vis polo shirt

Soft, yet comfortably fresh, the Olgiate hi-vis polo shirt with long sleeves is the ideal bodywear for you. The special drop-knit double knit structure absorbs perspiration and quickly removes it from the skin so that you never feel clammy. In addition, the hi-vis mesh under the arms ensures optimum ventilation. The elastic reflective tape on the arms, chest, stomach and back moves comfortably with you. The turnover collar and the cuffs are nicely finished in a dark grey colour.
